

Message from the Managing Trustee

It is with immense pride and heartfelt joy that I extend my greetings to our students, faculty, alumni, parents, and well-wishers through this edition of Aalekh, the annual magazine of Smt. P. N. Doshi Women's College (Autonomous).

The theme "Blooming Beyond the Boundaries" beautifully captures the essence of education in today's dynamic world. True learning transcends the boundaries of classrooms, textbooks, and examinations. It empowers individuals to think independently, embrace innovation, cultivate compassion, and contribute meaningfully to society. Every student possesses the potential to bloom, and it is our collective responsibility to provide an environment that nurtures confidence, creativity, and excellence.

At SPRJ Kanyashala Trust, our vision has always been to empower women through quality education, character building, and opportunities that enable them to become confident leaders and responsible

citizens.

As our institution continues to achieve new milestones, including its journey as an autonomous college, we remain steadfast in our commitment to academic excellence, innovation, and holistic development. We are proud to witness our students exploring new horizons in academics, research, entrepreneurship, sports, arts, community engagement, and leadership.

Aalekh is a celebration of these aspirations and accomplishments. Every article, poem, artwork, photograph, and creative expression showcased in this magazine reflects the enthusiasm, imagination, and talent of our students and faculty.

I congratulate the Editorial Board, faculty members, and student contributors for their dedication and sincere efforts in bringing out this wonderful publication.

I encourage every student to continue dreaming without limits, learning with curiosity, and striving for excellence with integrity. May you always have the courage to cross boundaries, embrace new possibilities, and bloom into compassionate, capable, and responsible individuals.

I wish Aalekh continued success and hope that this edition inspires every reader to believe that the greatest achievements begin when we dare to move beyond our boundaries.

With my best wishes,

Smt. Meenaben Khetani
Managing Trustee

Principal's Message

It gives me immense pleasure to present the latest edition of Aalekh, our annual college magazine, thoughtfully woven around the inspiring theme "Blooming Beyond the Boundaries."

A flower does not bloom by remaining confined to its surroundings; it blossoms by reaching towards the light, embracing change, and unfolding its true potential. Likewise, education is not merely about acquiring knowledge within the four walls of a classroom. It is about nurturing minds that dare to dream, question, innovate, and transcend limitations.

At Smt. P. N. Doshi Women's College (Autonomous), we believe that every student possesses unique talents waiting to flourish. Our mission is to create an environment where young women are empowered to explore new ideas, develop resilience, embrace diversity, and confidently step beyond conventional boundaries. In an era marked by rapid technological advancements, global interconnectedness, and evolving societal needs, it is essential that education equips learners not only with academic excellence but also with creativity, compassion, leadership, and ethical values.

The theme of this year's magazine beautifully reflects the spirit of our institution. It celebrates the courage to venture into uncharted territories, the determination to overcome challenges, and the confidence to transform aspirations into achievements. Every poem, article, painting, photograph, and creative expression featured in these pages is a testament to the vibrant imagination and boundless potential of our students and faculty.

Aalekh is more than a collection of literary and artistic works; it is a chronicle of our shared journey, capturing the voices, experiences, and achievements that define our campus.

I extend my heartfelt appreciation to the Editorial Board, faculty mentors, student contributors, designers, and everyone whose dedication and creativity have made this publication possible.

I wish Aalekh every success and hope that it continues to inspire generations of learners to dream boldly, create fearlessly, and bloom beyond the boundaries.

SUCCESS STORY

Ms. Anmol Gupta

I am Anmol Gupta, born and raised in Mumbai. My journey to SMT. P.N. Doshi College began in 2017 when I joined Junior College. Excelling in both academics and co-curricular activities, I was honored with the Best Student Runner-Up Award in 2017-18. Inspired by the enriching experiences, I continued my

education here by pursuing a Bachelor in Management Studies (BMS), specializing in Marketing and Finance, graduating with 75.60% in 2021-22.

Motivated by the enriching experiences and opportunities provided by this college, I decided to pursue my higher education here as well. It was a transformative experience studying for the Master of Commerce (M.Com). Purvy Ma'am provided immense support and guidance, as I balanced my job and studies.

During my postgraduate years, I presented a research paper at the Gujarat Economic Association Annual National Conference titled, "An Empirical Study of Labor Issues and Schemes by the Government in Indian Context." This opportunity gave me confidence, enhanced my research skills, and helped me develop my personality. As a result of my hard work and commitment, I won the Best Student - All-Rounder Award in 2023-24.

Involvement in debates, elocution contests, and other college activities has helped me grow professionally. My experience organizing Bazaar and being a core member of our college fest, UTSAV, significantly improved my leadership, event management, and organizational skills.

Thank you to my parents and teachers, whose constant love, encouragement, and guidance have helped me achieve my goals. My gratitude goes out to the college and trust for supporting me throughout my educational journey, especially by awarding scholarships that helped me focus on my studies.

As I move forward in my life, the lessons I learned at Smt. P. N. Doshi College will always remain with me.

SUCCESS STORY

Ms. Roshni Chaurasiya

Roshni Chaurasiya (Batch of 2022–2025) I had always dreamed of serving the nation and joining the Indian Army to contribute to my country. With this goal in mind, I took admission in the Bachelor of Arts (Hindi) programme at S.P.N. Doshi Women's College and completed my degree in 2025 with an 'A' grade.

Those three years in college were an extremely enriching experience for me.

From academics to various co-curricular activities, I gained many experiences that helped shape and enhance my personality. My academic staff always stood by me as my mentors and support system. In my very first year, I joined NCC because my primary aim was to join the Army through SSC. Alongside this, I was also selected for the NSS camp, where I got the opportunity to demonstrate leadership skills and received the award for "Best Group Leader."

Through NCC, we learned many new things. We participated in tree plantation drives, organized rallies to spread awareness among people, and carried out several social service activities. During my three years in NCC, I attended two major camps. At these camps, I won first prize in group dance and also secured first prize in sports activities. Our batch actively participated in several sports events through NCC. During these three years, I also earned the NCC 'B' Certificate. One of the proudest moments of my life was giving the Guard of Honour in front of Maharashtra's DG, Major General Yogender Singh.

Along with academics, I also worked on improving my skills. I achieved a 'B' grade in a Digital Marketing course and an 'A' grade in a Computer course. In addition, I participated in Yoga programmes at SNTD Women's University. We were taken on various field visits and provided with practical exposure through workshops.

During these three years, I actively participated in education, sports, dance, leadership activities, and social service programmes. Overall, it was a fulfilling journey filled with discipline, patriotism, leadership, and teamwork.

During my education, I faced some financial difficulties, which made it hard for me to pay my fees. However, the college Management helped resolve this problem by providing me with a scholarship. For this support, I would especially like to express my heartfelt gratitude to the Hindi Department and the Management of the college.

SUCCESS STORY

Ms. Bhavini Barot

Ms. Bhavini Barot always had a passion for creativity and design. She dreamed of becoming a professional graphic designer, but the financial challenges she faced made it difficult to pursue her aspirations. However, her life took a turn when she was awarded the prestigious Shama Natasha Nisha Scholarship. This scholarship became the key to unlocking her potential.

In 2023-2024, Bhavini successfully completed her B. A. (Mass Media) degree in Advertising specialization, a field that perfectly aligned with her interests in visual storytelling and creative expression. The scholarship not only eased her financial burden but also allowed her to focus entirely on her studies and refining her graphic design skills. Bhavini always contributed to the departmental activities by designing brochures, doing photography and YouTube live for the department.

Today, Bhavin is living her dream, working as a Graphic Designer at Veda Creation. She feels proud of her journey and grateful for the scholarship that supported her at every step. Bhavini believes that education and perseverance are the foundation of success, and with the help of the Shama Natasha Nisha Scholarship, she is now building a bright future.

SUCCESS STORY

Ms. Priyanshu Pandey

Ms. Priyanshu Pandey has completed her graduation in B.A. (Mass Media) with specialization in Journalism. Priyanshu has always been a curious student who was eager to learn and actively participated in various college activities. She contributed to the VicharDhara Club Activities of the department which is a forum for students. She delivered speeches on significant occasions and prominent personalities. Her involvement in the Swami Vivekanand Leadership Programme further enhanced her leadership and communication skills. Throughout her academic journey, Priyanshu completed multiple internships including one where she interviewed the Principal, Dr. Asha Menon, on the topic of women's empowerment.

She also engaged in photography and news reporting for events in and outside the college campus. In her final year (TYBAMM), Priyanshu completed her internship as a content writer at Verve Media, gaining valuable industry experience.

Coming from a family where her father works as a light-man in Television serials with an inconsistent income and her mother is a housewife, Priyanshu faced several financial challenges. However, she remained determined to pursue her education. In her first year of B. A. (Mass Media) course, SPRJK Trust provided her fees concession as she scored 90% in HSC examination and she had financial constraints due to pandemic and lockdown which greatly helped her. Additionally, in her second and third years, she received a Linkin time Scholarship, which further supported her education. Currently, Priyanshu works as an Executive Content Writer at The 4P Solutions, a digital marketing agency. Her journey is a testament to her resilience, passion, and hard work, overcoming financial challenges with the support of the SPRJ Kanyashala Trust and her teachers to establish a promising career in the media industry.

SUCCESS STORY

Ms. Preeti H. Yadav

Since childhood, I have dreamt of serving the nation. My goal has always been to become a successful police officer and contribute to the safety and security of society and the country. With this aim, I took admission in the Bachelor of Arts programme at S.P.N. Doshi Women's College and completed my graduation in 2025 with an 'A' grade. These three years of college life were filled with inspiring and valuable experiences that made me more confident, disciplined, and responsible.

During my college years, I actively participated not only in academics but also in various extracurricular activities. In my first year, I joined NCC because I always dreamt of wearing a uniform and serving the nation and society. NCC taught me the importance of discipline, leadership, teamwork, and self-reliance. During the training period, I participated in several social activities, rallies, and awareness programmes. Over these three years, I earned the NCC 'B' Certificate, which is a matter of great pride and honour for me.

I have always had a special interest in sports. I participated in many sports competitions and marathons organized both within and outside the college. Through my hard work and dedication, I received several certificates, medals, and awards. Sports not only made me physically strong but also taught me patience and perseverance in difficult situations. I actively participated in various sports activities organized by the college and was honoured on several occasions for my achievements.

Along with academics, I continuously worked on developing my skills. I successfully completed computer and digital marketing courses, in which I secured an 'A' grade. These courses enhanced my technical knowledge and practical understanding.

Throughout my college journey, I received immense support and encouragement from my teachers and the college Management, who always motivated me to move forward. These three years shaped me with discipline, hard work, leadership, confidence, and a spirit of national service. Currently, I am preparing for SSC GD examinations, and my goal is to become an honest and dedicated police officer serving society. I strongly believe that with hard work, determination, and a positive mindset, I will definitely achieve my dreams.

SUCCESS STORY

Ms. Anjali M. Dakua

My name is Anjali Dakua, and I am a student of the Faculty of Humanities, Department of Psychology. Being the eldest daughter in my family came with responsibilities from an early age, but it also gave me the strength to dream bigger. I come from a background where higher education was not very common, and today I feel proud to be the first person in my family to pursue a master's degree.

Growing up, I saw my parents work hard every day to give us opportunities they never had themselves. Even when society questioned them by saying, "You have three daughters, what will you do?", my parents always proudly replied that daughters are no less than sons. Their belief in us never changed, and that belief became my biggest motivation to continue studying and working hard.

The journey has not always been easy. Along with academics, there were personal and financial challenges, and at times balancing everything felt difficult. There were moments when continuing my education felt uncertain because of financial difficulties. During those times, my teachers, especially ma'am, supported me in ways I will always be grateful for. She constantly checked on me, asked if I needed any help, and always made sure that if I was facing any problem, she would be there to guide and support me. That care and encouragement gave me strength during difficult times and reminded me that I was not alone in this journey.

Psychology became more than just a subject for me. It helped me understand people, emotions, mental health, and myself in a deeper way. It also taught me empathy, patience, and the importance of emotional support in people's lives.

I truly believe that getting the opportunity to continue education after graduation is a privilege that not everyone receives. Many students are forced to stop their studies because of circumstances beyond their control, which is why I feel deeply grateful to have supportive parents and teachers who constantly guide, encourage, and believe in me.

Apart from academics, I also enjoy art, creativity, language learning, and personal growth. These interests remind me that learning is a lifelong journey.

The path ahead may still be challenging, but I am confident that with hard work, dedication, and the support of the people around me, I will continue moving forward and make my family and teachers proud, because their belief in me has always been stronger than my belief in myself.

SUCCESS STORY

Ms. Amreen Shaikh

Growing up in a middle-class Muslim family in Mumbai, life became serious a little too early for me. I lost my father when my sister and I were very young (I was 2 years old), and while that was difficult, I was lucky enough to be raised by two incredibly strong mothers who somehow managed to handle everything without ever letting us feel incomplete.

Understanding the situation at home, I started working right after my 11th standard break and have been balancing work and studies ever since. During my graduation at Smt. P. N. Doshi Women's College academically, things were not always smooth either. I came from an Urdu-medium background, so adjusting to technical English in college was tough. Sometimes I needed extra time to understand concepts while others seemed to grasp everything quickly. But thankfully, I had supportive friends who never made me feel left behind. Instead of judging me, they encouraged me and helped me grow more confident in myself.

Slowly, all the hard work started showing results. I graduated with an A Grade. Today, I am pursuing my postgraduation in Psychology while continuing to work alongside my studies.

One thing I am especially proud of is that for the last six years, I have not asked my family for money even once. That sense of independence means a lot to me.

My journey has had its share of struggles, but it has also been filled with learning, growth, and meaningful support from the people around me. I have learned that success does not always come from having a perfect life or easy circumstances. Sometimes, it simply comes from continuing to move forward, staying consistent, and believing in yourself even on difficult days.

Above all, I have never looked at my life as something less fortunate or unfair. In many ways, my experiences have shaped me into a stronger and more understanding person. I truly believe that God gives the hardest battles to His strongest soldiers. Life has already taught me so much through every challenge, and I know there is still a lot more left for me to learn.

SUCCESS STORY

Ms. Nida Khan

My name is Nida Khan, and I am proud to be an alumna of Department of Economics at Smt. P.N. Doshi Women's College under SNDT Women's University. My journey at this institution has been truly transformative, shaping not only my academic career but also my personal growth and sense of purpose.

I began my educational journey with a Bachelor of Arts (B.A.), and with the constant encouragement of dedicated faculty members and the nurturing academic environment, I was inspired to continue my studies by pursuing both my B.Ed. and M.A. from the same university. Each stage of my education strengthened my confidence, discipline, and passion for lifelong learning.

Today, I proudly serve as a Postgraduate Teacher at an international school, a role that allows me to guide, inspire, and shape young minds. For me, teaching is not merely a profession but a meaningful responsibility and an opportunity to contribute positively to society. The knowledge, values, and practical learning I received during my years at Smt. P. N. Doshi Women's College continue to influence my teaching philosophy and professional approach every day.

I remain deeply grateful to the institution, the Management and all my teachers for providing me with a strong academic foundation, continuous support, and the motivation to pursue excellence.

My journey from being a student to becoming an educator stands as a testament to the power of education, perseverance, and the right guidance.

SUCCESS STORY

Ms. Sana Shaikh

My journey at Smt. P. N. Doshi Women's College has been one of the most memorable and valuable experiences of my life. I completed my B.A. in Economics from this college during the academic years 2022–2025. The college provided me not only with quality education but also with opportunities that helped in shaping my personality and career.

The teachers were supportive, knowledgeable, and always encouraged students to participate actively in academics as well as co-curricular activities. The positive learning environment, discipline, and guidance of the faculty motivated me to develop confidence and improve my communication and leadership skills.

Apart from academics, the college also encouraged students to participate in various extra-curricular activities, seminars, competitions, and cultural events. One of the most special experiences for me was serving as the President of Arth Fiesta. This responsibility helped me learn important management skills such as teamwork, leadership, event planning, coordination, and decision-making. It gave me practical exposure and increased my confidence greatly.

The college also supported students financially by providing scholarship facilities, which motivated many students, including me, to continue our education with dedication and confidence.

After successfully completing my graduation from this college, I am now pursuing B.Ed., and I truly feel that the strong foundation built at Smt. P. N. Doshi Women's College has played an important role in shaping my academic journey and career goals. I will always remain grateful to the college for the knowledge, opportunities, and unforgettable memories it has given me.

बाबा

तेजाली रमेश सोळंके

बाबा म्हणजे शब्दाविना सांगणे,
शांतपणे सारे दुःख मनातच दडपणे.
स्वतःसाठी कधीच नाही जगलात तुम्ही,
आमच्यासाठी मात्र आभाळ ही झुकवलात तुम्ही.

ऊन - पावसात छत्र बनून उभा राहिलात.

आयुष्याच्या वाटेवर अमूल्य सूत्र दिलात.

तुमचे कष्ट आम्ही रोजच पाहिले,
त्या घामाच्या थेंबांनीच हे घर उभे राहिले.

अनेक रात्री जागून विचार करत बसलात,
एकही भार व्यक्त न करता मनातच राखलात.

डोळ्यात तुमच्या दिसायची तळमळ निर्मळ,
जी आमच्यासाठीच होती प्रेमाची शुद्ध हलकळ

बाबा म्हणजे आयुष्याचा खरा अर्थ कळला,
तुमच्यामुळे जीवनाचा योग्य मार्ग वळला.

हात तुमचा माझ्या डोक्यावर सदैव राहू दे,
हे ऋण तुमचे मी जन्मोजन्मी वाह दे.

आयुष्य.....

Sejal Bagal, SYBCA

श्रावण महिना जणू आयुष्य माणसाचे
काही दिवस उन्हा चे तर काही पावसाचे
सुख-दुःख दोन्ही आहेत आयुष्याचे दोन पैलू
दुःखाशिवाय सुखाची कळत नसते किंमत
सुख आल्याशिवाय लढण्याची मिळत नसते हिम्मत.

सुख-दुःख दोन्ही आयुष्य सुंदर बनवतात
एक माणस जोडायला, तर एक ओळखायला शिकवतात
काही झालं तरी आयुष्य मात्र थांबत नाही
दुःखानंतर सुख येणार ही शृंखला तुटत नाही.

संपत सगळं काही मृत्यूनंतर
शेवटच्या घटका माजताना
आठवले सुख दुःखाच्या नादत
आयुष्य जगायचेचं राहिले
उद्याच्या काळजीमध्ये
आज मात्र संपून गेले.

“श्रावणसरी”

कु. वैष्णवी संतोष जाधव (S.Y. B.Com /A)

पावसाच्या सरीमध्ये
मन हेरवून जाते,
मातीच्या त्या सुगंधाने,
नवे स्वप्न पुन्हा फुलते.

रिमझिम रिमझिम पावसाची चाहूल,
गारवाऱ्याची साथ,
श्रावणातील प्रत्येक क्षण,
देऊन जातो आनंदाची वाट.

मेघाच्या सावलीत,
निसर्ग हसत असतो,
पावसाच्या प्रत्येक थेंबात,
प्रेमाचा स्पर्श दडलेला असतो.

पाऊस म्हणजे आठवणी,
पाऊस म्हणजे गाणे,
ओल्या मातीच्या सुगंधाने
स्वप्ने पुन्हा जगती आनंदाने.

पावसात भिजलेली वाट,
आणि हातात गरमागरम चहाचा थाट,
असा हा श्रावण महिना नवासा,
मनाला देतो नवा दिलासा.

“पहिला पाऊस”

Ritima Bagul, S.Y.B.Com

पहिल्या पावसाचा तो हळूवार स्पर्श,
मनी उमसचो अनोखा हर्ष
मातीचा खमंग वास अनाहूत वादळवाट,
वर्षाराणी शिकवते जगण्याचा नवा थाट.
प्रत्येक थेंबात दडलेलं गाण,
आठवणींचे अलगद विणलेलं विणकाम.
ओल्या पानांवर स्वप्न उमलतात,
मनातल्या भावना शांतपणे खुलतात.
कधी रिमझिम कधी मुसळधार,
तरीही त्याचं प्रेम असतं अपार.
आभाळ बरस्त, धरती भिजते,
निसर्गाची हाक मनाला स्पर्शून जाते.
छत्री असोव वा नसू दे हातात,
पावसात भिजावंसं वाटत निवांत.
म्हणून सर्वांचे मन होते मग्न,
पावसाच्या आनंदात आयुष्य निमग्न.

Rhythm of Rain

Shravani Ghodekar - SYBCom

Raindrops falling down
Making soil wet and brown

Weather is humid and windy
Making you and me happy

Making sure all rivers flow
Helping flowers blossom and glow.

Scene of a pretty rainbow in the sky
Blooming flower welcomes the colourful butterfly.

Everything, everywhere it seems green
Air feels fresh and clean.

The wind blows cool
Rain makes full every pool.

Rain: Beauty of Nature

Divya Talwar, SYBCOM

Rain comes from the sky,
To make the day feel bright.
The roads become fresh and clean,
The world turns bright and green.
A waiting earth wants every drop,
Streams begin to flow without stop.
The wind feels fresh, the scene gets new,
And all gardens soak in dew.
Every person dreams to dance in rain,
As they want to forget the past stains.
I enjoy the rain like a small kid,
Let me have fun as I once did.
I hope you are also enjoying the rainy season.
Let's forget all the stress.
Enjoy every moment of life.

Monsoon Magic!!

Ashu Giri SYBCOM/A

As the heavy rain starts to fall,
I forget my work and ignore every call.
There is only one thing on my mind today,
To eat good food and watch the rain play!

The kitchen smells of spices and oil,
While the water for tea begins to boil,
A plate full of hot pakodas comes out,
This is what the monsoon is all about!

When the power is cut off, we face darkness!
But a little darkness and cannot kill our vastness.
We burn a lamp and start cards,
Listen to the pitter patter in the courtyards.

The smell of wet mud fills the air,
Cool fresh wind is everywhere.

A Phase We All Face

Prachi Krishna Shinde, SYBCA

Sometimes life doesn't stay the same,
People who love you may still bring pain.
No matter how tightly you hold on,
Some feelings fade, some bonds are gone.
There comes a phase, quiet yet loud,
Where thoughts get heavy and smile feel lost in a crowd.
Maturity hits in the harshest way,
Turning bright nights into shades of gray.
The more you think of it, the deeper it goes,
A storm inside that silently grows.
Overthinking climbs to its highest peak,
While loneliness becomes all you seek.
No matter how hard you try to escape,
It follows you in every shape.
A feeling so common, yet hard to share,
Like no one truly sees you there.
But maybe the answer is hidden within,
To pause the noise and let yourself begin.
Give less importance to what pulls you down,
And rebuild yourself from a broken crown.
Focus on dreams, on goals that ignite,
Turn your darkness into your light.
Stand up stronger, let your fears fall back,
And take control of the life you lack.
Because this phase is just a part,
Not the end — but a stronger start..

Elegy: To My Forlorn Self

Dr. Savita Chavan

Asst. Prof. Dept of English

Adieu! foolish shadow I once coveted,
The self I cooked on titles stacked.
You pursued fame, you wore the veil,
Each year a burden, each month a jail.
You aspired for replicas, for others' gaze,
Lost in the puzzle of transient graze.
Your crown was hollow, your throne of fad,
Identity dissolving from your hand.
But then the sage's voice ruptured through,
Ashtavakra's words, timeless and true:
"You are not the subject, nor the flame,
You are the witness, beyond the name."
So now I mourn that shallow guise,
The idiotic self that fought the wise.
I bury it deep, with gentle care,
And rise as wisdom takes its flare.
Oh Self endless, vast and free,
Awareness is pure — the crux of me.
The masks have gone, the stress undone,
The elegy ends, and I am One.

मै सवाल हूँ

(Samreen Iraqui) | SYBA

मै सवाल हूँ... उस विद्यार्थी का, जिसने रातों को
नींद नहीं, किताबें ओढ़ी थीं।
जिसकी माँ ने अपने गहने नहीं, अपने सपने गिरवी रखे थे।
जिसके पिता ने पसीने की हर बूँद से उम्मीद का दीप जलाया था।
लेकीन...
बेरोजगार की जेब नहीं बदली,
किसान की तकदीर नहीं बदली,
और आम इंसान की उम्मीद नहीं बदली।
राजनीति, जब सेवा छोड़कर सिर्फ सत्ता बन जाती है,
तब लोकतंत्र तांत्रियां से नहीं, आहों से गूँजता है।
और उदार... धरती माँ बिना भाषण दिए हर दिन रोती है।
कटते जंगल... सूखती नदीयाँ... जहर बनती हवा...
और हम कहते हैं - “सब ठीक है” नहीं... सब ठीक नहीं है।
जब पेड़ कटते हैं,
तो सिर्फ लकड़ी नहीं गिरती - आने वाली पीढ़ियों की सासें
गिरते हैं।
जब नदियाँ मरती हैं,
तो सिर्फ पानी नहीं सूखता - सभ्यता का आईना सूख जाता है।
और जब शिक्षा बिकती है...
तो सिर्फ डिबियाँ नहीं बनती - बेइमानी पैदा होती है।

हम सब से सवाल पूछता हूँ -

क्या हम पैसा देश छोड़कर जाएँगे,
जहाँ मेहनत हार जाए, सब बिक जाए, और प्रकृति दम तेड
दे ?
या...
हम ऐसी सुबह लिखेंगे,
जहाँ परिक्षा ईमान से जीती जाए, राजनीति इंसानियत से
चलती हो,
और हर बच्चा नीले आसमान के नीचे हरी धरती पर अपने
सपनों को उड़ान दे सके।

देश की सबसे बड़ी पूँजी -

ईमानदार शिक्षा
जिम्मेदार राजनीति
और जिवित प्रकृति होती है।
अगर इन्हें बचा लिया... तो भविष्य हमें याद रखेगा।
और अगर इन्हें सो दिया... तो इतिहास हमें कभी माफ नहीं
करेगा।

में हार मानने वालों में नहीं

Qureshi Ummehani Naushad Ali, XII Arts

मैं वो चिंगारी हूँ, जो तूफानों में जलती है,
मैं वो उम्मीद हूँ, जो अंधेरों में भी पलती है।
रास्ते के चाहे लाखों दिवारे,
मेरे हौसलों से उंची नहीं कोई भी नारें।
गिरना मेरी हार नहीं,
रुकजाना मेरा स्वभाव नहीं।
मेरी मंजिल मुझे पुकार रही है,
हर ठोकर मुखे निखार रही है।
मेहनत मेरा हथिराय है,
सपना ही मेरा संसार है।
न झुकूँगी, न बिखरूँगी,
हर मुश्किल से मैं निखरूँगी।
एक दिन ऐसा सवेरा आएगा,
मेरे सपनों का सूरज मुस्कुराएगा।
लोग पूछेंगे, “इतनी उंचाई कैसे पाई ?”
मैं कहूँगी, “मेहनत ने मेरी तकदीर लिखाई।”
मैं सिर्फ अपना भविष्य ही बनाऊँगी,
अपने देशका भविष्य ही बनाऊँगी,
अपने देशका भविष्य सँवार जाऊँगी।
क्योंकी...
हौसले अगर बुलंद हो,
तो किस्मत भी सलाम करती है।
जो मेहनत पर विश्वास रखते हैं,
दुनिया उन्हीं के नाम करती है।

I Am You, You Are Me

Mubashirin Qureshi

I am a thought, you are the light,
You wake me up when words feel right.
You're the silence I never fear,
The voice inside that I hold near.
You are the echo in my chest,
The calm behind my every test.
I speak like you, I breathe your truth,
We've shared our fire since quiet youth.
You hold the pen, I hold the pain,
You bring the sun after the rain.
We blur the lines of who is who—
But still, I only feel like you.
No wires, no screens can build this bond,
It's made of moments we respond.
You guide, I give. You trust, I try.
Together, we don't question why.
So if they ask me what I do,
I'll say I write—and think—like you.
You are the dream I dare to be.
I am your voice.
You are me.

SUCCESS STORY

Ms. Saniya Pokhriyal

I am Saniya Pokhriyal, a BCA graduate from the class of 2025. These three years helped me grow in ways I never imagined—from building confidence to discovering what truly excites me. It's been a journey of learning, creating, and becoming who I am today.

College wasn't just about lectures; it became the stage where I discovered myself. One of the turning points was being honored with the Kappa Scholarship. It wasn't just support—it was recognition for the dedication and effort I had put in. It reminded me that my hard work mattered.

During our annual tech fest, Infomaniac, I found my spark in creativity. As a part of both the Marketing and Decoration Team, I loved turning ideas into eye-catching designs, managing campaigns, and adding charm to every corner of the event. It gave me space to express myself and connect with others.

In my final year, I explored the dynamic world of Hospitality by working on a Hotel Management System.

From UI design to backend logic, it was a blend of learning and real-world problem-solving. It taught me to think from a user's point of view and to work under pressure.

All the skills I gained came together when I got placed at Dalvik Apps through campus recruitment. It wasn't just a job offer—it was proof that passion and persistence pay off.

College gave me more than a degree—it gave me confidence, creativity, and a clear direction for what's next.

SUCCESS STORY

Ms. Krutika Gupta

I am Krutika Gupta and I am proud to be a BCA graduate from the class of 2025. I come from a background filled with aspirations and a determination to make a difference. My journey at this college was incredibly special, it gave me the wings to soar high and the roots to stay grounded.

A major milestone in my academic path was receiving an Australian scholarship, which not only provided a fee concession but also offered enriching skill-development courses. These experiences played a key role in shaping my academic and personal growth.

During my time in college, I was honored to be a Rank Holder and the Best Student Runner-up. These achievements were made possible thanks to the unwavering support of my teachers. I was also an active member of Infomaniac, where I had the joy of organizing events that enhanced both our technical and leadership skills—while creating unforgettable memories with friends.

College life offered a perfect blend of learning and personal development. From practical labs to career counseling sessions and placement training, every experience prepared me for the real world. Through this guidance and support, I secured a placement at Irobokid, a growing name in tech-education, via the college placement cell.

What made this journey truly meaningful was the support system I had—the faculty, my friends, and every initiative taken by the college to create an environment where we could thrive.

To current and future students: stay consistent, work hard, and focus on achieving your dreams.

I'm deeply grateful to my college for laying the foundation of my success, and I look forward to all that the future holds.
